Ed,

I have a few questions for you regarding the December SFIREG Meeting:

1. The agenda has Ed providing an OPP Update on day 1 (30 min), followed by an OPP Report. I understand that our branch pulled together a slide deck with recent actions for the JWC meeting in Sept. Is this what you would like to do for this meeting or should this presentation be absorbed into your OPP Update? It seems weird to me to have both, however we can do whatever you think works best. Just let me know how to adjust the agenda and what we need to pull together. Who will be giving the OPP Report? Currently has Yvette and Emily. Will need Ed to chime in on how he would like to handle.
2. You have day 1 (12/5) reserved for this meeting, but not the first half of day 2 (12/6). Do you want that half day held on your calendar as well? Yes – also add on his calendar a separate invite for the time slot for Ed to speak. There may be others of particular interest to also add.
3. Last question – we will reserve time on our calendar that week to meet with regional pesticide managers who will be in town for the SFIREG meeting and to meet with OPP and OECA right after the SFIREG meeting ends. I am assuming this is okay with you, however if not let me know. Sounds fine but not sure if Ed plans to be there in person on the 6<sup>th</sup>. Also FYI - Ed has already agreed to meet with AAPCO leadership for lunch on the 5<sup>th</sup> (Monday), so maybe later that day?

Finally, I just want to highlight that this SFIREG Meeting will NOT be in the EPA building but held at the Residence Inn Arlington Capital View in Crystal City instead.

Thanks.

Cindy

Colleagues,

Attached is the draft SFIREG Meeting agenda for December 5-6th. The meeting will be held in Crystal City, at the Residence Inn Arlington Capital View hotel. Below are the OPP-related topics on the draft agenda. When you get a moment please let Vanessa Emerson and me know who we should work with on those topics related to your division. Once we hear back from you, we will work with your POCs to confirm topics and speakers and create calendar holds. In addition, we will add your POCs to an EPA-only pre-brief which will be held prior to an agenda walk-through with SFIREG scheduled for November 1<sup>st</sup> at 11am EST.

Note, we are working with SFIREG leadership to provide virtual presentation and participation options.

Please let us know if you have any questions and thanks in advance for your assistance.

Cindy
